

## The 2020 Outdoor Season Registration is Open

The Hershey Blaze Track Club is open to youth ages 6-18 years old. Athletes will have the opportunity to compete in local, regional and national meets. Join us today at one of our 4 practices sites: Hershey, Lebanon, King of Prussia and Mechanicsburg. Practices start in April.

Registration information is available online at  
[www.hersheyblazetc.org](http://www.hersheyblazetc.org)

The Hershey Blaze Track Club is a fully sanctioned USATF & AAU Youth Member Club. We are not intended to take the place of school teams for those who compete in middle and high school programs. Students committed to their school programs may come out to HBTC practices and meets at the conclusion of their seasons.
