

Get Ready to Train This Winter with Hershey Blaze Track Club in King of Prussia!!!

Since 2013 Hershey Blaze TC athletes have been awarded over 200 Regional & National Medals including 9 National Champions!

The Hershey Blaze Track Club is open to youth around the mid-state ranging from ages 6-18 years old. Our winter training program will begin on January 4, 2017 at the Bridgeport Elementary School Gymnasium. This 10-week program will consist of aerobic conditioning, speed development, and technique instruction for the various spring and summer track and field events. Participants in this program will also have the opportunity to take part in off-season indoor competitions to prepare for the outdoor season.

Information and Registration is available online

We are not intended to take the place of school teams for those who compete in middle and high school programs. Students committed to their school program may come out to HBTC practices and meets when they don't conflict.

The Hershey Blaze Track Club is a fully sanctioned USATF Youth Member Club
